Check Your Voter Status

The Martin County Supervisor of Elections invites all citizens to participate in updating your voter information records or registering to vote! It's up to you to take the time to update your records. During this non-election year, it is important that all registered voters take advantage of “Checking Your Voter Status.”

Ask yourself these four simple questions. If you answer yes to any of them contact the Elections Center today:

- **Has your address changed?**
- **Would you like to change your political party?**
- **Has your name changed?**
- **Do you need to update your signature?**

**How do I update my voter records?**

Update your registration by visiting us on the web at [www.MartinVotes.com](http://www.MartinVotes.com) or calling the Elections Center at 772-288-5637, where a staff member will be happy to serve you. Voter registration applications are also available at all public libraries, post offices, Chambers of Commerce, and banks.

For Your Information

You do not need your Martin County Voter Information Card when voting on Election Day. It is to provide you with information such as where your polling precinct is located and how you are registered to vote.

A registered voter may request a Vote by Mail Ballot, by calling the Election Center or logging on to [www.MartinVotes.com](http://www.MartinVotes.com).

When voting at a polling precinct or at an early voting location, a picture ID with signature is required to vote. Acceptable forms of identification include: Florida Driver’s License, Florida ID Card, US Passport, Military or Student ID, Public Assistance ID, or a Debit/Credit Card.

Early voting begins fifteen days prior to an election, at the following early voting locations: Hobe Sound Library, Indiantown Library, Palm City Library, Jensen Beach Library, Morgade Library, and Elections Center.
